

To whom it may concern,

My name is Kaydence Riehl and I am a student in 10th grade in the French Immersion program at Harry Ainlay High School. I love learning languages and have excelled in my studies of french. I am taking several electives including Culinary Arts, an apprenticeship based course in which students get classroom and hands-on experience, as well as Computer Sciences.

I have always had a love for food, baking in particular. I began to develop my skills from the age of 8 where I began with simple items and moved on to more complex dishes. My Culinary Arts class helped me discover how much I enjoyed the atmosphere and fast pace of commercial kitchens, rather than cooking at home.

I believe I would be an asset to any kitchen team as I am a very diligent worker. I am efficient while still taking care to maintain the quality of my work. In the past, I have worked as a Swim Instructor and I believe the skills I developed there would translate well into a kitchen environment. That position taught me to focus and keep my attention to detail in a loud and chaotic space, as a pool with 5 or more on going lessons can be.

I hope you will consider me a potential candidate for this position. Please don't hesitate to email me at kaydenceriehl@gmail.com or call me at 780-566-8760.
